**WESTERN CONSTRUCTION GROUP CONGRATULATES TENURED SAFETY  
ADVISOR ON RETIREMENT**

**ST. LOUIS, MO** --Western Construction Group would like to congratulate Safety Advisor, Bob Pritchard on his retirement at the end of this year, and thank him for his 35 years of service.

Bob joined Western on March 16, 1978 as the Safety Director and his skill set was utilized in various capacities during his employment, including: Manage Loss Control and Insurance Risk Director, Loss Control Director, Risk Management Director, Safety and Insurance Director and Director of Risk Management. He pioneered the safety program initiatives at Western and helped build the foundation for the efficient strong safety department they have today.

Bob believes it has been a very rewarding experience to see your efforts make a difference because everyone who works at Western has an impact on the company.

"I will miss working with the home office team and the hard working and innovative people at the branches. I want to thank everyone I worked for and with for make it an enjoyable and rewarding career," said Bob.

He looks forward to spending his retirement traveling with his wife Janet, fishing and spending quality time with his family and grandkids.

Bob has a B.S. Degree in Business Administration with an emphasis in Industrial Safety from Central Missouri State. He also acquired numerous certifications in the safety and risk management field.

For additional information, please contact the Marketing Department at Western Construction Group at [marketing@westerngroup.com](mailto:marketing@westerngroup.com).

Family-owned & operated, Western Construction Group has been a top Specialty Contractor in masonry, concrete and facade restoration for nearly 100 years.
