**Western Specialty Contractors Hires Tanya Shepherd as  
Regional Business Development Manager**

(St. Louis, MO, Jan. 11, 2017) Western Specialty Contractors has hired Tanya Shepherd of Hillsboro, MO as Regional Business Development Manager.

In her new position, Shepherd will develop opportunities to initiate the sale of Western's services, assist with the implementation of branch marketing goals and action plans, develop and maintain relationships with current and potential clients, provide customer support and prepare client proposals. Her territory will consist of the following branches: St. Louis Masonry, St. Louis Roofing, Indianapolis, Little Rock, Atlanta and Ft. Lauderdale.

Shepherd has eight years of property management experience, having previously worked as a Property Manager at Cushman & Wakefield in St. Louis, MO. She has a Master of Business Administration (MBA) from Missouri Baptist University and a real estate license.

**About Western Specialty Contractors**

Family-owned and operated for 100 years, Western Specialty Contractors is the nation's largest specialty contractor in masonry and concrete restoration, waterproofing and specialty roofing. Western offers a nationwide network of expertise that building owners, engineers, architects and property managers can count on to develop cost-effective, corrective measures that can add years of useful life to a variety of structures including: industrial, commercial, healthcare, historic, educational and government buildings, parking structures and sports stadiums. Western is headquartered in St. Louis, MO with over 30 branch

offices nationwide and employs more than 1,200 salaried and hourly professionals who offer the best, time-tested techniques and innovative technology. For more information about Western Specialty Contractors, visit [www.westernspecialtycontractors.com](http://www.westernspecialtycontractors.com).
